

RHR Cleaning Services is provider of cleaning services in the commercial, industrial and retail sectors. We seek to minimise the impact of our operations on the environment by the pursuit of good business practices and by fulfilling our legal obligations.

Our strategic objective is to provide a coherent framework of good environmental practice within each of our operating sites. Where we are operating on client sites we will work with their Environmental Management Representative in achieving shared goals and objectives in line with the clients own systems.

Our main operational objectives and commitments are to:

- **Understand each sites legal obligations and ensure compliance.**
- **Design and implement environmental management systems to enable the reduction, reuse and recycling of general waste and packaging materials.**
- **Help our clients to improve energy efficiency and reduce energy waste**
- **Take all measures to prevent pollution.**
- **We are committed to the process of continual improvement.**
- **We are committed to meet or exceed relevant environmental legislation, regulations and other requirements**

This policy and system, including significant aspects, will be communicated to all parties interested in the performance of our environmental management system, including the public on request.
